REUSE

Infrangibili: realizzati con materiali resistenti all'urto ed all'usura.

Eco-compatibili: riutilizzabili, sostituiscono i bicchieri di carta.

Lavabili in lavastoviglie.

Design: il disegno è stato perfettamente curato, quindi sostituiscono i bicchieri in vetro, conservando bellezza ed eleganza.

Sicuri: essendo infrangibili garantiscono la sicurezza negli ambienti affollati come discoteche, piscine, stabilimenti balneari e tutti i luoghi all'aperto. Inoltre, i bicchieri a stelo essendo realizzati in un unico pezzo e non composti da più pezzi assemblati, sono ulteriormente sicuri, in quanto non presentano punti sensibili a rottura.

Impilabili: per salvare spazio sia durante il servizio, che nel trasporto.

Qualità: i bicchieri sono prodotti con materiali di prima qualità e di origine certificata.

Personalizzabili: In serigrafia da 1 a 6 colori per minimo 500 pezzi. Colore materiale personalizzato, per minimo 3.000 pezzi.

N.B. I marchi riprodotti, sono tutti registrati e di proprietà delle relative Case e sono unicamente utilizzati a scopo dimostrativo.

Made in Italy: tutti i bicchieri sono prodotti in Italia.

RECYCLE

Unbreakables: made with materials resistant to impact and wear.

Eco-compatible: reusable, replacing the paper cups.

Dishwasher safe.

Design: The design is perfectly cured to replace the glasses, preserving beauty and elegance.

Safe: being unbreakable, they ensure safety in crowded environments such as discos, swimming pools, beaches and all outdoors. Furthermore, because the stemmed glasses are made of a single piece and do not consist of several pieces assembled, are further safe, because they do not have points susceptible to breakage.

Stackable: to save space during the service and the transportation.

Quality: the glasses are made with top quality materials and certified origin.

Customizable: With silk-screen/pad printing from 1 to 6 colours for minimum 500 pcs. The colour of material can be customized from minimum 3.000 pcs.

NB The trademarks reproduced, are all registered by the Customers and only used for demonstration purposes.

Made in Italy: all glasses on this catalogue are made in Italy.
